## **WASPs Chair Report 2018/19**

Wow, what an amazing and busy year we have had!

Not only has the school excelled in their SATs results and sporting achievements; but helped us to raise in excess of £10,000 which is amazing!

Our greatest achievement this year has to be our Circus and Summer Fair Extravaganza.

Our visit from the amazing PopUp Circus included a circus skills workshop for all of the children to enjoy, followed by our sell out circus show and summer fair.....I think you'll all agree that everyone had an amazing time, despite the typical British weather!

Our funds have helped to purchase new interactive whiteboards for the school a new PA system plus much needed forest school equipment and storage facilities.

We will also be getting an outdoor performance stage installed in the playground for the pupils to showcase their individual talents during break times!

We could not have achieve any of this without the continued support of the school staff, pupils, family, friends and wider community of Ashby Willesley Primary School. So a big heartfelt thanks goes out to you all!

The WASPs are always looking for new and fresh ideas to help make this the best year yet. So whether you're a friend or family member of the school and are able to help out any of the events, run a stall or provide sponsorship we'd love to hear from you!
