

PE and Sport Premium Grant Expenditure 2016/17 – Actual

Overview of the school

Total Pupils on Roll (at census date in January 2016)	393
Total Number of Pupils Eligible for PE & Sport Grant	334
Total PE & Sport Premium Grant received	£9,670

Nature of support

	Actual
<p>Subscription to School Sports Partnership:</p> <p>A collaboratively funded group bringing together the NWL primary and high schools to deliver inter-school competitions, sports festivals, PE training opportunities, network meetings for PE Coordinators, a nominated coach to work alongside teachers in the delivery of PE lessons and the provision of a variety of sports clubs</p> <p>Per pupil element 353 @ £5</p> <p>Impact - Being members of the SSP gave us access to a number of coaching opportunities (including Zumba and Big Moves), and also to a number competitions and festivals. Bronze Ambassadors were training in sports leadership. The enthusiasm with which we took up offers and entered teams lead to us being nominated for spectator tickets for the National School Games in Loughborough.</p>	<p>£1,500</p> <p>£1,765</p>
<p>Staff Training & Coaching:</p> <p>PLT Meetings – Autumn, Spring and Summer Terms</p> <p>Courses – Gymnastics - November 2016. Maths of the Day - March 2017</p> <p>Chance to Shine Cricket Coaching (Summer Term)</p> <p>Impact - CPD was provided in gymnastics which is an area that staff members said they lacked confidence in. Cricket coaching was provided to all teaching staff and everyone has implemented one or more of the activities into their teaching. As part of the package, we gained access to coaching for the Y5 and Y6 classes which provided teachers with further ongoing CPD. An exclusive girl's cricket club was provided which allowed a number of girls who hadn't got involved in sports previously to experience a sport in a non-intrusive environment. Two teams were entered into the Level 2 competition with one team winning as a result of the coaching. The boy's team also won thanks to the high quality PE lessons provided. Teaching assistant and lunchtime staff were also trained in cricket games and activities.</p>	<p>£153</p> <p>£170</p> <p>£400</p>
<p>Apprentice:</p> <p>Employment of a PE and Sports Apprentice (Sept 2016 to Jul 2017) – incl Pension</p> <p>Less Leicestershire Apprentice Grant</p> <p>Less Apprenticeship Age Grant</p> <p>Impact - Through the use of an apprentice, more children were able to access lunchtime sporting activities across the school. More teams were entered into competitions and more time was dedicated to providing specific training for each sporting activity. PE lessons were delivered more effectively as equipment was organised before the start of the lesson. In sports where the apprentice was skilled, teachers were able to learn and upskill.</p>	<p>£6,633</p> <p>-£2,200</p> <p>-£1,500</p>

<p>Transport to Sporting Events:</p> <p>Saffron Lane Area Sports – June 2017</p> <p>Leics & Rutland County Games – June 2017</p> <p>Impact - By providing transport to Level 3 sporting events and the Saffron Lane Area Athletics Championships, we were able to allow a number of children to experience higher level sporting activities. Over 50 children attended the School Games with 2 teams placing in the top 3. 40 children gained experience at an athletics track as part of the Saffron Lane event with many medal winners returning jubilant. By providing the transport we created a strong team environment.</p>	<p>£240</p> <p>£970</p>
<p>Encouraging Physical Activity:</p> <p>Subscription to Activ8 scheme (393 @ £1.50)</p> <p>Activfoam vault and other PE equipment</p> <p>Impact - To continue to encourage a healthy lifestyle outside of the school, the school subscribes to the local fitness initiative Activ8 ran by the district council. The scheme enables the children to accumulate points through participation in school sporting events, which they can then 'spend' on activities at the local leisure centres, such as swimming and badminton. A better partnership was developed with the DC to allow points to be accumulated and leaflets were provided to parents.</p> <p>The purchase of the vault will allow us to teach even better gymnastics and vaulting skills with a soft, safe piece of equipment. It will also allow our after-school provider to upskill their sessions.</p>	<p>£620</p> <p>£919</p>
<p>Total</p>	<p>£9,670</p>

Outcomes

- All children in KS1 and KS2 were provided with the opportunity to represent the school at a Level 2 event.
- Retained Silver Sports Mark
- Area champions in 10 different events
- County champions in Y3/4 Quad Kids
- County bronze medallists in Y5/6 Tri Golf
- 11 children selected to represent NW Leics at Cross Country
- The employment of an apprentice meant most children had access to 2 hours of high quality curriculum provision and all children had access to 2 hours of PE provision (including extra curricular)
- C teams were entered into events where possible.
