30<sup>th</sup> September 2022

Dear Chloe,

### **Willesley Primary School and NWLSSP 2021-22**

The continued commitment of our schools to PE, school sport and physical activity is inspiring and I'm sure is having a positive impact on Covid recovery in your school.

The 2021-22 academic year was another excellent year for the NWLSSP and has seen outstanding performances recorded across a wide range of our targets including;

- **4326** attendances at Level 2 School Games festivals, events and competitions as part of **612** school teams.
- **465** Play Coaches and **32** Bronze Ambassadors trained and deployed in primary schools.
- **391** attendances in additional activities such as Alternative Sports and the HAP trip to Loughborough College.
- **89** attendances on the NWLSSP CPD programme and Primary PE Lead Meetings
- **31** Schools achieving Bronze, Silver, Gold or Platinum School Games Mark.

I enclose a copy of our end of year report with the specific details of how we have engaged with **Willesley Primary School** for your information. This be used as part of your website statement regarding the Primary PE and Sport Premium. A hard version of this report can be sent to you if requested.

I would also like to take this opportunity to remind you that you will again be receiving £16,000 plus £10 per pupil in Y1-6 for this academic year as part of your Primary PE and Sport Premium. Guidance on how the premium can and can't be spent and your obligations as a school to demonstrate the impact can be found here: <https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools>

Please feel free to contact me directly to discuss the content of this letter further as I and the team here at NWLSSP are keen to help all of our schools with their PE, school sport and physical activity requirements.

Yours Sincerely

Brian Rushe
