WASPs Chair Report 2017/18

There has been an amazing atmosphere around the school this year. Not only have the school added several more sporting trophies to the tally, achieved brilliant SATs results, but have helped the WASPs to raise over £5,000 for the school, which is a fantastic result!

The funds raised have been used to purchase additional iPads for the classrooms and a docking station charging trolley.

This year the WASPs will be donating monies towards the biannual Christmas Pantomime trip and raising funds to help the school in updating their IT equipment to include new interactive whiteboards for the classrooms and laptops.

The WASPs could not achieve any of this without the continued help and support from the school, friends and families of the pupils, so from us all we'd like to say a heartfelt THANK YOU!

This year the WASPs will see two of our long serving members step down for a year or so whilst they pursue their new careers; we'd like to wish them lots of success.

With that in mind we are looking for new recruits; as without the school volunteers the WASPs would not be able to organise and run these much loved events for the children.

If you have an hour or two to spare each term, please pop along to one of our meetings where there's always an abundance of tea and biscuits! Or if you fancy helping out at a particular event please do get in touch.

The WASPs are always looking for new and fresh ideas to help make this the best year yet!
